Re: Video Recordings of Presentations
2019 New York State Workers' Compensation Forum

Members of the Rating Board:

I write to invite you to view video recordings of the presentations made at the 2019 New York State Workers' Compensation Forum on the Rating Board's [website](#). These videos include (a) opening remarks; (b) the industry address from the Executive Director of the New York State Workers' Compensation Board; (c) the presentation of the 2019 State of the System; (d) a panel discussion on the integration of "Medicare for All" and workers' compensation; (e) the presentation of the 2019 Large Claims Study; and (f) the presentation from the General Counsel of the New York State Workers' Compensation Board on recent changes in the legal landscape.

We hope that those who joined us at the Forum found it worthwhile, and that those who were unable to attend benefit from the videos referenced above as well as the reports and research studies, all of which are posted on the Rating Board's website.

We look forward to hosting you next year at the 2020 New York State Workers' Compensation Forum.

Very truly yours,

A handwritten signature in blue ink, appearing to read "JA", is written over a light blue circular stamp.
